

# Saputo

We would like to extend our gratitude to Saputo, Woolworths Mount Street and RedJaf IGA Somerset for supporting Burnie High School with sponsorship for our Breakfast Club. This support enables us to offer Breakfast Club on a regular basis, providing an effective, but informal way of educating students of the importance of having breakfast and how this impacts their alertness, energy levels and overall health and wellbeing. This is also a great opportunity for students to improve their understanding of nutrition and develop habits that will contribute to a healthy lifestyle.

Thank you  
**Saputo**

Here is a list of Saputo's products that you may like to consider next time you are at the supermarket.
